I, Sandra McGhee, president of Windstar Investigative Network, Inc., and a Florida licensed private investigator (Lic. # C9400353), being of legal age, make the following statements and declare that, on my own personal knowledge, they are true:

Since the beginning of August, 2004, the investigators of the Florida office of Windstar Investigative Network, Inc., 9900 W. Sample Rd., Ste. 300, Coral Springs, FL 33065, have been denied ready access to our client, Lancelot Armstrong (Inmate # 500408148). On August 5, 2004 we were told that it would be necessary for our agency to fax a letter of request to the office of Capt. Keith Neely at the Broward County Main Jail outlining the reason for our need to see Mr. Armstrong, and the date upon which we would be visiting him. Almost immediately we were told by Capt. Neely's office that our letter of request would not be honored, because Mr. Armstrong's attorney, Hilliard Moldof, did not use our team of investigators for the clients he represents. Both myself and my investigators, Junior Dennis and Jody Stacy, have explained that Mr. Armstrong is conducting his civil case on a pro se basis, and has chosen to use our agency to conduct his necessary investigations and interviews.

Each time we need to visit with Mr. Armstrong it has been necessary for us to contact Mr. Moldof's legal assistant and request that she fax a letter to the jail authorizing our admittance. This is time-consuming for us, and for Mr. Moldof's staff, and has caused as much as 4 days delay in our being able to see Mr. Armstrong.

Signed under penalty of perjury on October 8, 2004.
