INMATE MANAGEMENT

REVIEW FORM

ADMINISTRATIVE SEGREGATION

ARMSTRONG, LANCELOT	500408148	June 4, 2004	12	Current Date:	06/20/07
Inmate's name and arrest number		Date of incarceration and Initial custody		Current Custody Score: 7	

Reasons for Administrative Confinement:

Inmate potentially dangerous to self or others as demonstrated by documented and specific acts or actions

List: OTHER - Due to recent media attention reference nature of charge(s) and possible severity of sentence - Death Sentence.

Inmate poses an active and serious escape risk as evidenced by behaviors, documentation and/or verifiable intel

List: _____

Inmate charged with DR but while awaiting a disciplinary hearing judged by staff to be dangerous and/or disruptive and unmanageable if left in general population

Inmate is currently awaiting transfer to a higher security facility and is judged by staff to be a significant management and/or escape risk as determined by inmate's criminal history, severity of charges and/or adjustment history

Inmate has significant disciplinary history or has accumulated a custody score exceeding 30 pts due to disciplinary history within first 6 - 12-month period of detention or accumulated 3 or more major disciplinaries within a 6 month period thus posing greater than usual management and safety concerns for general population.

Initial date inmate placed into Admin Seg: 4/26/2007, Number of consecutive days in Admin Seg: 56 DAYS

This evaluation for: 72 hours Week 1 Week 2 Week 3 Week 4 Week 5 Week 6 Week 7 Week 8

After the first 8-week evaluation period, the inmate to be reviewed at least every 30 days, or in week 12,14,16,20,24, etc. A psych referral will be made every 90 days from the 4th week or in week 16,28,40, etc. Number of weeks inmate in Admin: _____

30 day evaluation from _____ to _____, A psych referral was made on _____ and sent to: _____ of Armor Correctional Health Services.

List of those present at this review:

MARIEL FILS-AIME RH MAIN JAIL/DOCC	<i>Uno Mason</i>	<i>LD Colby 4187</i>	<i>Tyler 4572</i>
<i>Sgt D. Williams</i>	SGT.D. LARKINS #9011	<i>M. M. Susan</i>	<i>Tyler</i>

Results: Initial reason for segregation no longer exists as documented below, inmate released back to GP, Initial reason for confinement continues as stated below, Inmate remanded to other administrative and secure housing as stated below:

No mgmt/behavioral problems reported this review. To remain in Admin Seg due to nature of inmate's charge and

possible sentencing status which has resulted in high profile case with media coverage.

Next review 1 Month.
